

MOTHERS' UNION

The Mothers' Union is a Christian organisation which promotes the well-being of families worldwide. It was started more than a century ago by Mary Sumner, a clergyman's wife. The Mothers' Union is the largest Christian women's organisation in the world and has a membership of over 3 million.

You can join the Mothers' Union if you are baptised and believe in the importance of family life. Men and women, married and unmarried, parent or not - all can join.

All Saints' branch meet on the fourth Wednesday of each month (except August and December). The meetings are held in the Vestry Hall, The Chase, Cranham and commence at 2.15pm. The talks by guest speakers are varied and last 45-60 minutes followed by tea/coffee and biscuits.

We receive invitations to meetings that are being held in the Deanery and other branch events.

NEW MEMBERS ARE ALWAYS WELCOME - for more details contact Betty Barber Branch Leader or Amanda Romang Branch Secretary.
